Re: Alexander et al. v. Amchem Products, Inc., et al.,
Case No. 07 CV 6441 (RJS)

Dear Judge Sullivan:

Having received the Clerk's Notice, dated September 28, 2007, reassigning the above-referenced case to Your Honor, Plaintiffs John Alexander and Braulia Alexander respectfully request that an expedited briefing schedule be set in their case. Plaintiffs have already filed their motion to remand in this Court on or about July 31, 2007, when this case was assigned to another Judge of the Court. Only Defendants General Motors Corporation's and Ford Motor Company's opposition papers to this motion to remand and Plaintiffs' reply papers need be filed in this case.

In addition to raising the same legal issue of whether defendant Union Carbide Corporation has been fraudulently joined in this case, which now is in the process of being briefed in Sherman v. A.J. Pegno Construction Corp., et al., No. 07-CV-6433 (RJS), which also is before Your Honor, Plaintiffs' motion to remand additionally raises a patent, seemingly-insurmountable defect in Defendants' removal papers – that one of the remaining (non-fraudulently joined) defendants has not consented to the removal. For these reasons, Plaintiffs

request that the Court set expedited dates for the remaining briefing in this case.

Very truly yours,

WEITZ & LUXENBERG, P.C.
